# Welcome I'm Rebecca,

owner of Servers With A Smile. I am a certified Wedding Planner, Day Of Coordinator and Events Decorator. I live in the K-W area with my husband & son. My goal as a wedding planner and decorator is to bring your visions and dreams to life!

A large aspect of my business is Décor. I have put together this Rental Catalogue to showcase what I have available to enhance your special occasion. Whether you are getting married, hosting a bridal shower, celebrating an anniversary or organizing a corporate/workplace event, I have what you need! If you cannot find what you are looking for, please contact me as I am continually adding to my inventory. I have displayed only some of my many backdrops available. I enjoy sitting down with my clients and customizing their vision according to their style and budget. This catalogue is only a part of what I have to offer. I look forward to hearing from you! Together we will turn your ideas into reality!

This catalogue has two sections. The first part being samples of weddings + events we have designed and executed, while the second half is a catalogue divided by sections to easily find what type of decor you are looking for. As mentioned before, if you see something on our socials or, are looking for something specific feel free to reach out, as we are always adding to inventory faster than we can update here.
